## Grain Purchase Contracts

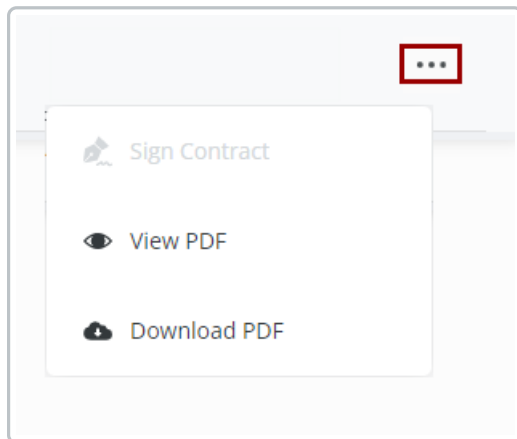

The *Contract* page displays a list of Grain Purchase Contracts grouped by Disposition.

Each Disposition displays the number of Settlement Contracts for that Disposition, the *Total Contract Units* and an option to **View Contracts**.

Selecting **View Contracts** displays the Settlement Contracts for that Disposition with additional details such as the *Contract Date*, *Contract Units*, *Undelivered Units*, *Delivery Start* date, and *Basis*.

Selecting the **Ellipsis** to the right of the Settlement Contract displays options to **Sign Contract**, **View PDF**, or **Download PDF**.

**Note:** If the PDF is not available, this means it has not yet been sent from Agvance to Grower360. Please see the [Send PDF Files to Grower360](#) document for additional information on sending documents to Grower360.

Selecting **Hide Contracts** on the Disposition line collapses the list of associated Settlement Contracts.

Search and filter Purchase Contracts using the *Search* field at the top of the page. Search by *Contract #* or *Commodity*. Additionally, use the **Filters** icon to filter by *Disposition*, *Date Range*, or *Commodity*.
