Search

Scale Tickets can be searched and/or filtered by using the *Search* field at the top of the page. Refresh the Scale Tickets list by selecting the icon by the **Filters** button.

The screenshot shows the 'Scale Tickets' page in the Grower360 system. At the top, there is a breadcrumb 'Grain > Scale Tickets'. Below this is a search bar with a 'Filters' button (indicated by a yellow notification bubble) and a search input field. To the right of the search bar is a 'View By' dropdown menu set to 'Tickets' and an 'Export' button. Below the search bar, the results are filtered by 'Date Range: 12/01/2022 - 12/20/2022'. The main content area displays a table of three tickets, each with a 'View Detail' link.

Export

The screenshot shows a 'CSV Export' dialog box. It contains the following elements: a title 'CSV Export', a subtitle 'This will export a .csv file', a 'Date Range' field with a calendar icon, a 'to' label, another 'Date Range' field with a calendar icon, an 'Export Criteria' section with a 'Commodity' input field, radio buttons for 'By Fields' (selected) and 'By Farms', a 'Field' input field, and two buttons at the bottom: 'Close' and 'Export'.

Growers can quickly generate an export of Scale Tickets of grain that has been delivered to the elevator to share

with the county or an insurance agent. **Export** is only available when viewing by *Tickets*.

If a date range was entered on the *Tickets* view, it will default in on the *CSV Export* window when selecting **Export**.

Export Criteria such as *Commodity*, *Farm*, and *Field* can be selected on the *CSV Export* window. Once the desired *Export Criteria* is set, selecting **Export** downloads a CSV file of the data.

Additional information on exporting Scale Tickets can be found [here](#).
